

## **Perion to Acquire Pub Ocean, an Innovative Publisher Technology Platform, for up to \$22 Million**

*Accretive and Synergistic Acquisition Expected to Generate an Incremental \$25 Million in Revenues and \$5 Million in Adjusted EBITDA over the Next 12 Months*

TEL AVIV & NEW YORK – July 22, 2020 – Perion Network Ltd., (NASDAQ: PERI), a global technology company that delivers its Synchronized Digital Branding solution across the three main pillars of digital advertising - ad search, social media and display / video – signed today an agreement to acquire the assets of Pub Ocean, a rapidly-growing digital publisher-focused technology company with scalable content distribution and real-time revenue analytics technology. Pub Ocean offers significant and immediate synergies to ContentIQ (CIQ), which Perion acquired in January, driving incremental revenue opportunities and enhanced profitability.

The acquisition, which is expected to close in the coming days, is for an aggregate cash consideration of up to \$22 million, of which \$4 million will be paid upon signing, \$17 million as earn-out tied to financial targets over a two-year period and \$1 million for two years of retention. The acquisition is expected to be immediately accretive and contribute more than \$25 million in revenues and \$5 million in Adjusted EBITDA to Perion in the first 12 months.

Chris Ingham Brooke, who founded Pub Ocean, will become Executive Vice President at CIQ. Pub Ocean will be integrated into CIQ with the express intent of building a “new media supply chain”. As a leading digital publishing orchestration system, driven by proprietary data algorithms that enable brands to scale to highly relevant audiences, CIQ stands to immediately benefit from Pub Ocean’s automated recommendations and analytics which sit between brands and channels in the “media supply chain.”

“Pub Ocean is a strategically important acquisition for Perion, as we advance the buildout of a Synchronized Digital Branding solution across all digital channels” said Doron Gerstel, CEO of Perion. “We see meaningful synergies between CIQ and Pub Ocean. We could not be more thrilled to welcome Pub Ocean and its founder Chris into the Perion and CIQ family.”

“Building Pub Ocean into a category leader has been an extraordinary adventure; an outcome I couldn’t have achieved without our incredible team,” said Chris Ingham Brooke. “We’ve had many suitors over the years, but no one has come close to Content IQ and Perion in terms of a

strategic opportunity, vision and shared values. I'm looking forward to the next chapter and building a bigger company with all the resources and capabilities of Perion and Content IQ."

Additional details on the Pub Ocean acquisition will be provided on Perion's second quarter earnings call which is taking place on Wednesday, August 5, 2020.

### **Non-GAAP measures**

Non-GAAP financial measures consist of GAAP financial measures adjusted to exclude acquisition related expenses, share-based compensation expenses, restructuring costs, loss from discontinued operations, accretion of acquisition related contingent consideration, impairment of goodwill, amortization and impairment of acquired intangible assets and the related taxes thereon, non-recurring expenses, foreign exchange gains (losses) associated with ASC-842, as well as certain accounting entries under the business combination accounting rules that require us to recognize a legal performance obligation related to revenue arrangements of an acquired entity based on its fair value at the date of acquisition. Additionally, in September 2014, the Company issued convertible bonds denominated in New Israeli Shekels and at the same time entered into a derivative arrangement (SWAP) that economically exchanges the convertible bonds as if they were denominated in US dollars when the bonds were issued. The Company excludes from its GAAP financial measures the fair value revaluations of both, the convertible bonds and the related derivative instrument, and by doing so, the non-GAAP measures reflect the Company's results as if the convertible bonds were originally issued and denominated in US dollars, which is the Company's functional currency. Adjusted Earnings Before Interest, Taxes, Depreciation and Amortization ("Adjusted EBITDA") is defined as operating income excluding stock-based compensation expenses, depreciation, restructuring costs, acquisition related items consisting of amortization of intangible assets and goodwill and intangible asset impairments, acquisition related expenses, gains and losses recognized on changes in the fair value of contingent consideration arrangements and certain accounting entries under the business combination accounting rules that require us to recognize a legal performance obligation related to revenue arrangements of an acquired entity based on its fair value at the date of acquisition
